- The amount must be spelled out or it must say unlimited. **NO reimbursement, deductible or co-pay is accepted.**
- The fact that medical evacuation, medical repatriation **and** repatriation of remains are covered has to be spelled out.

Some medical insurance companies do not cover costs for medical treatment abroad or do not issue letters stating the requirements listed above. In this case, or in the case that you have no medical insurance, you will have to purchase additional travel insurance.

Insurance Providers

You can find insurance companies in your local Yellow Pages or on the internet (search for “health insurance Schengen visa”). It is your responsibility to compare the insurance chosen by you, with the requirements listed above.

Health insurance policies, which are concluded in Germany, generally fulfil all prerequisites.
